RE: Friends of St Helen's (FOSH) and General Data Protection Regulations (GDPR)

Dear Parents and Carers,

As you are aware you automatically become a member of the FOSH when your child/ren start at St Helen's Primary School. FOSH raises funds and organises events and competitions to enrich the school life of all the children.

In line with the new GDPR regulations, we are required to publish our Privacy Policy in relation to the information we hold about the "helping hand" volunteers who help at the many fund raising events we hold throughout the year. A copy of our Privacy Policy is attached to this letter.

In order to comply with GDPR we are asking parents to re-register with us in order for the committee to hold your information.

We rely on the support of our helping hand volunteers to help run and support our larger events. If you are interested in helping at any of the events in the future, and are happy for FOSH to add your details to the helping hands list please complete and return the contact sheet below to the school office.

Thank you for your continued support.

With kind regards,

Friends of St Helen's Committee
