

WORKING TOGETHER AGREEMENT

Aims

In accordance with our ethos we set high expectations and aim to equip every child with the social skills and attitudes that will remain with them for life. We provide a safe, caring and stimulating environment where children achieve well and enjoy their learning. We are committed to the development of the 'whole' child as an integral member of the school community where all members are expected to uphold our agreed core values as follows:

Core Values

Respect	we consider the thoughts and feelings of others
Endurance	we try our best and persevere even when we find things difficult
Compassion	we treat others as we would like to be treated, we are thankful
Courage	we try new things and take calculated risks, even if we are afraid
Trust	we have faith in our friends and the people who help us
Resilience	we recover quickly from difficulties and learn from our experiences

This is most effective when all staff, parents and children understand their responsibilities and work together towards the same goals.
