How has your school's spending improved PE attainment?	School spending has improved PE attainment through professional sports coaches providing CPD to staff members ensuring the standard of teaching PE is at a high standard. The use of Moki bands has encouraged participation in all sporting activities. Using this as an incentive has improved PE attainment as children are engaged in lessons. The purchase of additional services such as balance ability for EYFS has ensured our youngest children have had additional opportunities to meet their Early Learning Goals. Sensory circuits has been targeted at pupils who were below aged related in PE, children with SEND and/or PPG this has improved PE attainment for some of these children. Additional swimming for our current year six children has improved PE attainment in this area. Providing children with the opportunity to partake in many school competitions has encouraged children and given them motivation to learn skills and make progress during lessons to then use during competitions.
How has your school's spending increased pupil PE and sport activity levels?	By providing school lunchtime clubs such as football, boxercise and multi-skills. An increase additional 30 minutes of physical activity a day has been supported through the incentive of Moki bands.
How has your school's spending increased school sport participation?	Additional equipment is updated and ensured it is fit for purpose for children to use within their lessons to ensure there's increased school sport participation.
How has your school's spending increased pupil participation in extra-curricular activities?	Sensory circuits has been provided for pupils to start their day-encouraging SEN, less able and PPG children.
How has your school's spending increased staff training and continued professional development (CPD)?	Specialised coaches, provided by Hunts School Sports Partnership come and support class teachers every term providing continuous professional development.
How has your school's spending increased staff participation in extra-curricular activities and school sports competitions?	The school has taken part in over 28 competitions, tournaments and festivals. The spending has been used for transport to and from these and to provide supply for teachers.
How has your school's spending improved swimming attainment?	95% of year 6 completed the swimming objectives this year which was an increase to the 80% that were able to at the end of

year 3 when they go swimming as part of the national curriculum (not paid for out of funding).

How has your school's spending improved water safety awareness?

Additional swimming sessions were provided for children unable to swim in year 6, these also included water safety awareness lessons. Through pupil voice children have retained this information.

Section 6 of 9 - sustainability

How is your school going to ensure that the improvements made through its spending of the PE and sport premium are sustainable?

Continuous professional development is constantly shared between and across all teaching staff making them confident. Moki bands can be used each year to motivate children to stay more active. Children have created their own clubs based on lunch time clubs. Skills such as balance ability are continuously built upon throughout the years. Children who have competed in competitions support younger children when it is their turn.
